In **PART 2** you will learn all about how you can work directly for us as Data Entry Clerk to complete worksheets that we will supply you with.

PART 1: Data Entry Made Easy

This is such an easy way to make money online. **You don't need any Special Skills or Experience.** All you need is your computer with internet access, and our exclusive Step by Step tutorials inside our members area! Don't worry if you do not have a computer with Internet access yet. You can visit your nearest Internet Café or begin to work directly for us as a Data Entry Clerk and complete worksheets without a computer and save money for your own computer. **Work whenever you want, where ever you want!** If you're a night owl, you can work in the middle of the night. It's completely up to you! You work **when it's convenient for you.** Most people work for 1-3 hours per day and make great money doing it.

"How You Can Make Money"

When you join Data Entry Made Easy, you'll get instant access to the Step by Step Tutorials in the exclusive members area. This access is good for life, so you'll have an incredibly simple way to make a never ending stream of money! It's constantly updated, so you'll be sure to always have all the latest info.

Once inside you'll be given access to a massive database of companies that need you to fill out forms for them, and you can be making money within 5 minutes! There are literally tens of thousands of companies to choose from. You can browse through the list and pick the companies you want to work with. Keep in mind, that there is no approval process and it's completely free to work with these companies! Every one of these companies will accept you. They NEED people like you to fill out these forms.

Next you'll create your accounts to submit data online. We provide all the info you need to submit these forms. You'll just copy and paste the info we have in the members area into the forms on these websites. Most members report back that they can't believe how easy it is to make money copying and pasting data into forms. Once you submit one form, you can start on another. You can do this anytime you want to make money. The more forms you submit, the more you can make! It's really that easy!

YOU'LL JUST FILL OUT VERY SIMPLE ONLINE FORMS LIKE THESE: (We supply you with the info, you just COPY and PASTE)
